

ANNEXURE- I

ROLES OF PROJECT ADMINISTRATOR

*STP: Skill Training Provider

Other roles:

1. Giving approval if candidates' age is more than 32, and STP claims that the candidate is in need of training and employment.
2. Change in training center within the district.
3. Ensuring inaugural sessions at the first day of batch start and certificate distribution at the end of batch.
4. Batch code finalization in lines with the guideline, and use of that batch code in each communication.
